THE POTTERY STUDIO

PUT YOURSELF IN THE PICTURE

Finally, after more than two years of planning, applying for grants & Council approvals, the extension to the Pottery Studio is now complete.

There have been quite a few hurdles & road blocks to overcome, but now we can resume our creative endeavours in a new & improved space which I hope will be enjoyed by our existing members & be attractive to new members.

We now have everything under “one roof” (or two), so no more running in the rain to take pots to the kiln room which was sometimes subject to uninvited water when we had excessive rain. When the weather is pleasant, we have a verandah where members can relax with a cuppa. Two new Venco wheels have been added giving us four in total to meet increased demand. The plan is to upgrade the “old Pottery” area to the same standard & finish as the new extension when funds & time allow.

Pottery Sessions with minimum 2 members are:

7 Days: 9am – 12noon, 1 – 4pm, 6 – 9pm.

Please enjoy this space. I look forward to seeing a resurgence in the use of this facility.
